

empowering game changers

redalpine is a leading European early-stage venture capital investor with >\$1bn AuM and a sector-agnostic investment strategy.

The future is shaped by today's startups. It is our ambition to find the most promising and talented entrepreneurs, help them turn their visions into reality and their businesses into international success stories. In the last 15 years, we have backed more than 95 visionary founder teams, including the likes of N26, aktiia, Taxfix, Inkitt, Klarna, Carvolution, Sanity Group, umiami, Infinite Roots and Knowunity.

Do you want to become part of our success story and empower game changers? Then join us! We are looking for a highly motivated individual who is eager to join us in the role as:

venture & corporate finance intern (f/m/d) - zurich

- 6 months (flexible); starting Q1'25 (asap) -

Your Mission

We are seeking a proactive, results-driven, and analytical individual with strong financial skills and an entrepreneurial mindset to take on a challenging and rewarding role at the heart of our company. As an integral part of our CFO team, you will gain exposure to the entire lifecycle of a leading venture capital firm—working on live transactions (investments & exits), driving fundraising initiatives, conducting finance-heavy analyses for our funds, and creating value across our portfolio. This is a unique opportunity to work on high-impact strategic and operational projects in a dynamic, fast-paced environment, collaborating closely with experienced professionals and directly shaping the success of our portfolio companies & funds.

Your responsibilities:

- **Transaction Support:** Assist in ongoing transactions (investment & exit), including financial modeling, valuation analyses, and process management.
- **Finance:** Contribute to business and fund modeling, return analyses, and the creation of performance dashboards to track investment performance across all our funds and assets.
- **Fundraising & Investor Relations:** Develop and refine marketing materials, support event organization, and help build our investor communication strategy.
- **Portfolio Value Creation:** Engage in project-based initiatives to drive growth and success within our portfolio companies.

Your Profile

You are a proactive, analytical thinker eager to immerse yourself in the world of venture capital and finance. You thrive in a fast-paced environment, can balance work across multiple projects, and have a strong foundation in financial concepts and tools.

- Exceptional academic background with advanced or completed bachelor's studies or ongoing master's studies in a business-, economics-, or finance-related field at a top-tier university.
- Initial relevant experience in a fast-paced environment such as consulting, banking, PE/VC, or startups.
- Strong financial and analytical skills paired with business acumen and a "get-shit-done" attitude.
- Proactive, entrepreneurial mindset with strong interpersonal, teamwork, and communication skills.
- Proficiency in Excel and PowerPoint is a must.
- Fluency in German and English is a must (verbal and written).

Your Benefits

- You will actively support Redalpine in our mission to empower GameChangers to make the world a better place.
- You will engage with a diverse range of stakeholders, tasks and challenges that will contribute to your professional growth while building meaningful, lasting relationships in the VC ecosystem.
- You can benefit from our flexible working arrangements and a competitive salary.
- You will thrive in a highly dynamic and innovative VC environment, where everyone is committed to Redalpine's vision.

If this opportunity excites you and you resonate with the attributes described above, we encourage you to kick-start your career by applying for this unique role. Please submit your CV via [this link](#).

We look forward to hearing from you,
Your Redalpine Team
